

MFS 58+

MFS 58+ (MADE IN USA)

Multi-Matched Circum Flex Integrity Ultra Light Weight Composite

- Parallel Tip 4.5" -

It is difficult to imagine another shaft in this weight range that can fit so many skill levels. The MFS58+ is the complete package in terms of raw performance and consistency. Occasional players praise its excellent feel while world-class players give it high marks for stability, controllability, and results. The MFS58+ is truly one of those rare shafts that appeal to many player profiles looking for seemingly different qualities. It is characterized by a precise, crisp response to input and a smooth, timely kick through the impact zone.

WOOD

Flex	Length(in)	Weight(er)	Torque ¹	Tip Dia.	Butt Dia.	Kickpoint
L	46 "	58/gr	3.4°	.335"	.580"	Mid
A	46 "	60/gr	3.2°	.335"	.590"	Mid
R	46 "	61/gr	3.2°	.335"	.595"	Mid
S	46 "	62/gr	3.1°	.335"	.600"	Mid
X	46 "	63/gr	3.0°	.335"	.600"	Mid

IRON

Flex	Length(in)	Weight(er)	Torque ¹	Tip Dia.	Butt Dia.	Kickpoint
L	40 "	56/gr	3.0°	.370"	.590"	Mid
A	40 "	58/gr	2.9°	.370"	.600"	Mid
R	40 "	59/gr	2.8°	.370"	.600"	Mid
S	40 "	61/gr	2.7°	.370"	.600"	Mid
X	40 "	62/gr	2.7°	.370"	.610"	Mid

It's in the Shaft!
